FADS FICS Adult Amateur Rider Dedication Award: Awarded to the AA rider who competed in the most FADS 2026 shows. Information is at <https://www.fadsshow.com/awards/fics-aa-dedication-award/>.

FADS HCS, USA Saddlery Training Level Awards for AA and YR: Win a dressage saddle! This award is for AA and YR who attain the highest training level scores at FADS shows. Riders may not have ridden above training level at a licensed dressage or eventing show. Information is at <https://www.fadsshow.com/awards/hcs-usa-saddlery-award/>.

Special Scheduling Requests:

- Some riders have special scheduling requests due to trailering arrangements, trainers that are riding and coaching, riders with two horses, etc. Although not guaranteed, every attempt will be made to honor these requests, as follows:
 - If a class can be scheduled at a time frame requested by the rider, this will be done.
 - If the class cannot be scheduled in this time frame, every attempt will be made to schedule special request rides BEFORE the balance of the class; this is necessary so other riders do not have to wait for the class to finish.
 - If a special request ride cannot be scheduled before the balance of the class, the ride can be HC (*hors concours* - the ride is before the judge, receives judge verbal comments, and a test sheet is provided, but the ride is not part of a class so there is no class placing and there is no ribbon awarded), if approved by the rider.
- Special scheduling requests involving a wide variety of tests can be very difficult to honor, but I will try!
- Scheduling occurs after the closing date; therefore, a ride that is scratched due to a special request that cannot be honored will be considered a scratched ride and the ride fee must be paid.
- Since these shows are benefits, there is no budget to mail ribbons. If you must depart before your class finishes, please make arrangements to pick up your ribbon(s) (a friend at the show, pick up at a later date) or provide \$6.50 to cover packaging, postage & handling costs for 1-2 ribbons. Add an additional \$1.00 for 3-4 ribbons.

Late Entries:

- If the show is full on or before the closing date, no late entries will be taken unless the late entries would fill equivalent scratched ride(s).
- If the show is not full by the closing date, the closing date may be extended a day or two during which time entries will be accepted that will not be considered late.
- After the final closing date, if the show is not full, late entries will be accepted without scratches; however, the late entries would be scheduled at the end of the show and would be HC (*hors concours*) rides – the ride is before the judge, receives judge verbal comments, and a test sheet is provided, but the ride is not part of a class so there is no class placing and there is no ribbon awarded.
- There is no late entry fee.

Two Rides of the Same Test: A rider may ride the same test twice on the same horse; however, the second ride would be HC (*hors concours*) – the ride is before the judge, receives judge verbal comments, and a test sheet is provided, but the ride is not part of a class so there is no class placing and there is no ribbon awarded. This avoids an unfair competitive advantage for the second ride.
